Requested Updates for TST Dev Site

Home Page

<http://urgelabs.com/dev/tst/>

1. Remove “TST |” from the header text under the image slider.
Ex: **TST** Precision Machined Metal Parts for the Oil & Gas Industry
2. Is it possible to move the following images up in the slider so more of the important features show on widescreens (1680x1050, 1920x1080)?
 - a. Machined Plastic – show a little of the black plastic part
 - b. Responsive Service – show some of the road (already included the bottom)
 - c. Oil & Gas – show some of the ocean (already included bottom)
3. Capitalize the “o” in “Oil & Gas” on the Machined Plastic image slide.
4. Correct spelling on Machined Metal image slide (provides  provides).
5. Singularize “weeks” in Responsive Service image slide (weeks  week)
6. Remove the redundant “oil” text from the Oil & Gas Expertise image slide (Leading Oil ~~oil~~ & Gas companies rely...)

About Us – Overview

<http://urgelabs.com/dev/tst/about-us/overview/>

7. This page shouldn’t exist. The “Overview” link from the top navigation should just go to <http://urgelabs.com/dev/tst/about-us/>. Similar to Parco’s and Double E’s websites.
